NOW HIRING: MEDICAL LABORATORY TECHNOLOGIST

Northeast Montana Health Services is seeking an experienced Medical Laboratory Technologist to join our team serving our Poplar location. This position oversees laboratory operations, testing, quality control, and compliance while ensuring safe, high-quality laboratory services for our patients. Also required to perform clinical laboratory examinations, proficiency testing, instrument maintenance and validation, testing validation and testing management. Qualified candidates must have a bachelor's degree in chemical, physical, biological, or medical laboratory sciences; 2 years of high-complexity laboratory experience; national certification through ASCP, AMT, or NCA; and Montana licensure as a Clinical Laboratory Scientist or Clinical Laboratory Technician.

To apply, mail your resume to: Northeast Montana Health Services, Inc., Attn: Human Resources, 315 Knapp Street, Wolf Point, MT 59201.
